

Participants

Panellists

Lori Hunter - [Website](#)

University of Colorado – Boulder

Professor, Institute for Behavioral Studies, University of Colorado – Boulder

Expertise: environmental change & livelihoods in sub-Saharan Africa; drought migration in Mexico.

Sample publications:

[Hunter, L.M et al \(2015\) Environmental Dimensions of Migration. Annual Review of Sociology 41: 377-397](#)

[Hunter, L.M. et al \(2014\) Rural Outmigration, Natural Capital, and Livelihoods in South Africa. Population, Space and Place 20\(5\): 402–420](#)

[Hunter, L.M. et al \(2013\) Rainfall Variation and U.S. Migration from Rural Mexico. International Migration Review 47\(3\):874-909](#)

Susan Martin - [Website](#)

Georgetown University

Herzberg Professor and Director of the Institute for the Study of International Migration;

Georgetown University

Expertise: US and international immigration and refugee policy & programs

Sample publications:

[Martin, S.F. \(2014\). International Migration: Evolving Trends from the Early 20th Century to the Present. Cambridge University Press.](#)

[Martin, S.F. \(2009\) Climate Change, Migration and Governance. Global Governance 16\(3\): 397-414.](#)

Elizabeth Ferris - [Website](#)

Brookings Institution

Senior Fellow, Institute for the Study of International Migration, Georgetown University

Expertise: politics of humanitarian action; role of civil society in protecting displaced populations

Sample publications:

[Ferris, E., & Petz, D. \(2013\). In the neighborhood: the growing role of regional organizations in disaster risk management. Brookings Institution, London School of Economics, Project on Internal Displacement.](#)

[Ferris, E. \(2012\) Protection and Planned Relocations in the Context of Climate Change. UNHCR](#)

[Ferris, E. \(2011\) The Politics of Protection: The limits of humanitarian action. Brookings Institution Press](#)

Moderator

Robert McLeman - [Website](#)

Wilfrid Laurier University

Associate Professor, Geography & Environmental Studies, Wilfrid Laurier University

Expertise: climate and international migration & displacement; drought migration; international environmental migration to Canada

Sample publications:

[McLeman, R. et al \(eds\)\(2015\). Environmental Migration and Social Inequality, Springer.](#)

[McLeman, R. \(2014\). Climate and human migration: Past experiences, future challenges. Cambridge: Cambridge University Press.](#)

[McLeman, R. \(2013\). Developments in modelling of climate change-related migration. Climatic Change, 117\(3\), 599–611.](#)

Workshop Participants

Elizabeth Fussell - [Website](#)

Brown University

Associate Professor, Population Studies and Training Center, Brown University

Expertise: post-Katrina migration and population change in New Orleans; population impacts of climate change

Sample publications:

[Fussell, E. \(2015\) The Long-Term Recovery of New Orleans' Population After Hurricane Katrina. American Behavioral Scientist 59\(10\): 1231-1245.](#)

[Fussell, E. et al \(2014\) Recovery migration to the City of New Orleans after Hurricane Katrina: a migration systems approach. Population & Environment 35\(3\): 305-322](#)

Craig Johnson - [Website](#)

University of Guelph

Professor, Political Science, University of Guelph

Expertise: international development, urbanization, land and resource governance and climate change in South and Southeast Asia

Sample publications:

[Johnson, C. \(2013\). New Climate Alliances. Nature – Climate Change 3: 537-38.](#)

[Johnson, C. et al \(2013\) Social Protection and Climate Change: Emerging Issues for Research, Policy and Practice. Development Policy Review 31 \(S2\): o2-o18](#)

[Johnson, C. \(2012\) Governing climate displacement: The ethics and politics of human resettlement. Environmental Politics 21\(2\): 308-28](#)

Lindy Williams - [Website](#)

Cornell University

Professor, Development Sociology, Cornell University

Expertise: international labor migration and family dynamics in Philippines and SE Asia

Sample publications:

[Williams, L. & Guest, M. \(eds\)\(2012\) Demographic Change in Southeast Asia: Recent Histories and Future Directions. Cornell University Press.](#)

[Arguillas, M. & Williams, L. \(2010\) The Impact of Parents' Overseas Employment on Educational Outcomes of Filipino Children. International Migration Review, 44\(2\): 300-319.](#)

[Eloundou-Enyegue, P. & Williams, L. \(2006\) Family Size and Schooling in sub-Saharan African Settings: A Reexamination. Demography 43\(1\): 25-52.](#)

Jack DeWaard - [Website](#)

University of Minnesota

Assistant Professor, Sociology, University of Minnesota & Minnesota Population Center

Expertise: quantitative modeling of migration systems; causes, characteristics and consequences of environmental migration within US and internationally

Sample publications:

[DeWaard, J. et al \(2015\) Population recovery in New Orleans after Hurricane Katrina: exploring the potential role of stage migration in migration systems. Population & Environment. DOI 10.1007/s11111-015-0250-7.](#)

[DeWaard, J \(2013\) Compositional and Temporal Dynamics of International Migration in the EU/EFTA: A New Metric for Assessing Countries' Immigration and Integration Policies. International Migration Review 47\(2\): 249-295.](#)

[DeWaard, J. & Raymer, J. \(2012\) The temporal dynamics of international migration in Europe: Recent trends. Demographic Research 26: 543-592](#)

Luisa Veronis - [Website](#)

University of Ottawa

Associate Professor, Geography, University of Ottawa

Expertise: Social inequality, transnationalism & citizenship; environmental influences on international migration to Canada

Sample publications:

Obokata, R., Veronis, L. & McLeman, R. (2014) Empirical research on international environmental migration: a systematic review. Population & Environment 36(1): 111-135.

Mezdour, A. & Veronis, L. (2012) Est-ce que l'environnement a une influence sur la migration internationale au Canada? Note de recherche sur le cas de la diaspora Haïtienne à Ottawa-Gatineau. Canadian Journal of Latin American and Caribbean Studies 37(74): 207-217.

Jenna Hennebry - [Website](#)

International Migration Research Centre

Director, International Migration Research Centre; Associate Professor, Communications Studies, Wilfrid Laurier University

Expertise: migration policy and foreign worker programs; bilateral labour mobility agreements; role of remittances in development

Sample publications:

Hennebry, et al. (2015) Bilateral Labour Migration Agreements, Development and Trade: Complexity, Contradiction and Coherence. Report for the Global Knowledge Partnership on Migration and Development (KNOMAD).

Hennebry, J. (2014) Falling Through the Cracks: Migrant Workers and the Global Social Protection Floor Initiative. Global Social Policy 14(3): 369-388

Hennebry, J. & Preibisch, K. (2012) A Model for Managed Migration? Re-Examining Best Practices in Canada's Seasonal Agricultural Worker Program. International Migration, 50(s1), e19-e40.

Margaret Walton-Roberts - [Website](#)

International Migration Research Centre

Associate Dean, School of International Policy and Governance, Balsillie School of International Affairs

Expertise: gender and international migration of students, professionals, particularly from India

Sample publications:

R. Howard-Hassmann, & Walton-Roberts, M. (eds)(2015) The Human Right to Citizenship: A Slippery Concept, University of Pennsylvania Press.

Walton-Roberts, M. (2015) The international migration of health professionals and the marketization and privatization of health education in India. Social Science and Medicine 124: 374-382.

Walton-Roberts, M. & Hennebry, J. (eds)(2014) Territoriality and Migration Management in the E.U. Neighbourhood: Spilling over the Wall. Springer International Migration Series.

Johanna Wandel - [Website](#)

Interdisciplinary Centre for Climate Change, University of Waterloo

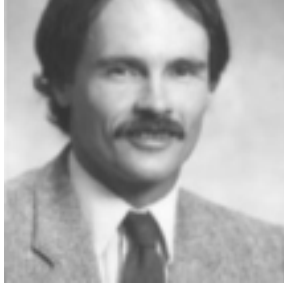

Associate Professor, Geography & Environmental Management, University of Waterloo & Interdisciplinary Centre for Climate Change

Expertise: community-based assessment of vulnerability and adaptation to climate change

Sample publications:

Wandel, J. et al. (2011) Science and Indigenous Knowledge in Resource Management in the Canadian Arctic. In, Integrating Science and Policy: Vulnerability and Resilience in Global Environmental Change. Earthscan, 291-306.

Wandel, J. & Marchildon, G. (2010) Institutional Fit and Interplay in a Dryland Agricultural Social-Ecological System in Alberta, Canada. In, Adaptive Capacity and Environmental Governance. Springer, 179-198.

Michael English - [Website](#)

Cold Regions Research Centre, Wilfrid Laurier University

Professor, Geography & Environmental Studies, Cold Regions Research Centre, Wilfrid Laurier University

Expertise: hydrology, geomorphology and aquatic biogeochemistry of northern environments; physical science of climate change

Sample publications:

Rees, A., English, M., et al. (2014) Observations of late winter Canadian tundra snow cover properties. *Hydrological Processes* 28(12): 3962–3977.

Macrae, M., English, M. et al (2007) Intra-annual variability in the contribution of tile drains to basin discharge and phosphorus export in a first-order agricultural catchment. *Agricultural Water Management* 92(3): 171–182.

Rees, A., Derksen, C., English, M. et al (2006) Uncertainty in snow mass retrievals from satellite passive microwave data in lake-rich high-latitude environments. *Hydrological Processes* 20(4): 1019–1022

Simon Dalby - [Website](#)

Balsillie School of International Affairs

CIGI Chair in the Political Economy of Climate Change, Balsillie School of International Affairs

Expertise: geopolitical and international security dimensions of environmental change

Sample publications:

Dalby, S. & O'Lear, S. (eds)(2015). *Reframing Climate Change: Constructing ecological geopolitics*. Routledge.

Dalby, S. (2015) Climate Geopolitics: Securing the Global Economy. *International Politics* 52(4): 426-444.

Dalby, S. (2015) Geoengineering: The Next Era of Geopolitics?" *Geography Compass* 9(4): 190-201.

Barry Smit - [Website](#)

University of Guelph

University Professor Emeritus, University of Guelph

Expertise: vulnerability and adaptations of communities and socio-economic systems to global environmental change

Sample publications:

McCubbin, S., Smit, B., & Pearce, T. (2015) Where does climate fit? Vulnerability to climate change in the context of multiple stressors in Funafuti, Tuvalu. Global Environmental Change 30 : 43-55.

Smit, B., et al (lead authors) (2007). Assessment of adaptation practices, options, constraints and capacity. Chapter 17, IPCC Third Assessment Report.

Smit, B. & Wandel, J. (2006). Adaptation, adaptive capacity and vulnerability. Global Environmental Change, 16(3): 282-292
